

THE ORTHOPEDIC EDGE

Orthopedic Excellence Beyond Surgery

Enhancing Orthopedic Treatment with Quality Services

At EmERGEOrtho, our specialists are complemented by a team of dedicated physical therapists, hand therapists, and more.

EmERGEOrtho is trusted for our skilled orthopedic surgeons. Additionally, our commitment to patient care extends far beyond surgery. Our physical and hand therapists, focus on improving patient function and fitness as well as managing pain for those who may or may not have had surgery. Our pain management specialists are physicians who knowledgeably provide relief from chronic pain, ensuring a comprehensive approach to well-rounded orthopedic care.

Backed by state-of-the-art diagnostic imaging, including MRIs, our orthopedists are equipped to offer precise diagnoses. Additionally, our healthcare team actively engages with patients to prevent and treat bone loss, highlighting just a glimpse of the diverse services we provide for complete patient care.
